EAR CANDLES

NO MORE BLOCKED EARS! The small end of the cone is put into the ear and the other end is lit. As the candle burns, the smoke travels into the ear canal, warming the ear wax and creating a gentle vacuum. This can dislodge the wax or foreign debris and pull it into the ear cone. Many report this as being a rather pleasant sensation. Most often, an improvement in hearing is reported after using ear candles.

10.5" long. **50% High quality Beeswax, 50% Cheese-grade Paraffin** **Weight 4 oz per packet of 10**

Why our Ear Candles are superior:

- **15-20 minute burn time as compared to 7-10 minutes or less for other candles make ours the cheapest around, since what is most important is how many ear candles are burned per hour.**
- The fabric we use is of a higher quality than most others use.
- We use beeswax that is from *only* the cleanest part of the hive, then triple filtered to remove even the smallest remnants of bee parts
- We use absolutely none of the honeycomb wax, which is always black with filth (and much less costly) and impossible to clean. The result is a clean, clear, golden-honey color cone.
- The paraffin we use is a substantially higher grade than we've found with other cones. The result is that they burn cleaner and are much more resistant to crushing or collapsing during handling or use.

½" diameter is suggested for beginners or for people who want a slightly lower temperature

COLON CLEANSING:

A cause of much disease is a dirty bowel. A healthy body has a bowel movement 2-3 times a day, 15-30 minutes after eating, with no straining. Unfortunately, most Americans are no where near this. One man lost 56 pounds in one night! One man had all his 35 bowel cancer polyps dry up and fall off! One woman passed over 20 coins she had eaten as a child! One woman who was laid on her back with pain for 3 years got better within a week - and the pain never returned! One woman's chronic migraines vanished! Do #1 followed by #2 at the same time improving what you eat and drink. #3 is for children. Organic, American grown herbs. Individual results will vary. Visit our website for more information.

#1 Intestinal Cleanse Formula

This stimulating herbal tonic is both cleansing, healing and strengthening to the entire gastro-intestinal system. It stimulates the muscular movement of the colon and over time strengthens the muscles of the large intestine, halts putrefaction and disinfects, soothes and heals the mucous membrane lining of your entire digestive tract. Note: The formula we use is the one devised by Dr Richard Schulze around 1995. **DO NOT take #1 if you suffer from diarrhea, IBS or Crohns**

Ingredients: Curacao and Cane Aloe leaf, Senna leaves and nodes, Cascara Sagrada aged bark, Barberry rootbark, Ginger rhizome, Garlic bulb, Turkey Rhubarb, Cayenne, Fennel, Ginger

This cleansing and soothing formula is to be used periodically in conjunction with Intestinal Formula #1. This formula is a strong purifier and intestinal vacuum. It draws old fecal matter off the walls of your colon and out of any bowel pockets. It will remove poisons, toxins, parasites, heavy metals (such as mercury, lead and radioactive metals). This formula will also remove over 3,000 known drug residues. Its mucilaginous properties will soften old hardened fecal matter for easy removal. This makes it an excellent remedy for inflammation in the intestines such as IBS.

VITAL NUTRITION PLUS (superfood)

This naturally balanced blend of Botanical SuperFoods is specifically formulated to supply you with Natural Food Source Vitamins, Minerals, Amino Acids and Essential Trace Elements. All ingredients are from the richest whole food sources on the planet. These are Nature's Nutrients, NOT man made vitamins. Ingredients: Spirulina, Chlorella, Barley grass, Alfalfa grass, Wheat grass, Purple dulse seaweed, Beet root, Spinach leaf, Rose hips, Orange peel, Lemon peel, all in a base of non-fermentable Saccharomyces cerevisiae yeast. Note on the yeast used from the manufacturer: "The yeast in the formula is Red Star's non-fermentable, nutritional yeast. This form in no way contributes to the candida condition in the body. On the contrary, it is very beneficial to handling overbalances of yeast in the body due to its high B vitamin and protein content need for immune system repair. We have another product called Vital Nutrition that does not include the yeast, any of the algae and wheat grass. It is far less effective by observation than the Vital Nutrition Plus in all cases including Candida".
